

The Millennium, beyond the unexpected!

Millennium is a unique venue in Switzerland designed for hosting professional and cultural events. Its modern architecture and luxurious interiors provide an unparalleled experience in terms of hospitality and personalized services.

Positioned as a center of refinement and excellence, Millennium brings together prestigious spaces, cutting-edge technology, a dedicated event team, a Chef 'Meilleur Ouvrier de France' and exceptional hospitality services ensuring the success of your events.

Millennium is also one of the most eco-responsible complexes in Switzerland. Responsible practices are implemented, notably through the choice to consume renewable energy and promote local products from the region.

Strategically located in Lausanne-Crissier with direct access from main highways and only a 30-minute drive from Geneva, Bern or Montreux, Millennium resides at the heart of the Lake Geneva region, in close proximity to the center of Lausanne and the EPFL.

Setting a new standard in event and conference hosting

Millennium stands out with high-level technological integration and a variety of prestigious spaces to accommodate every

request. Its venue make it an ideal location for hosting assemblies, conferences, seminars, congresses and cultural or artistic events.

The 500-seat auditorium is equipped with the latest audiovisual innovations making it suitable for congresses, conferences, professional evenings, product launches, concerts and shows. It features a 22-meter long and 4-meter high LED screen, a stage with motorized podiums, a Meyer Sound sound system certified Dolby Atmos, integrated dynamic lighting and ultra-comfortable leather seats with integrated USB ports.

Club Millennium epitomizes exclusivity, showcasing contemporary and refined design bars, VIP lounge, and a stage for organizing corporate evenings, cocktails, product launches, concerts and shows. In addition, Members enjoy exclusive programming featuring internationally renowned artists.

The 450 sqm reception room offers a versatile space with a large ultra-design bar and customizable lighting and sound systems, perfect for conferences, cocktails, exhibitions or gala evenings.

Millennium also has a high-end **conference center equipped with 12 modern and modular rooms** designed for efficient corporate sessions. The Business rooms are

perfectly equipped for meetings, workshops and training, with a convivial dining area for gourmet breaks. The Executive center, overlooking private terraces with a breathtaking view of the Lake Geneva region, offers spacious rooms with elegant and comfortable leather furniture, designed for executive meetings.

A Chef 'Meilleur Ouvrier de France'

Millennium offers a culinary experience led by Chef Fabien Foare, 'Meilleur Ouvrier de France'. His creative and refined French cuisine showcases regional and seasonal products with recognized expertise.

For lovers of fine dining, la Brasserie Millennium is the ideal place for business meals. The Sommelier's Cellar offers a broad selection of wines and can also be privatized for an apéritif.

The catering service offers refined and creative cuisine. The Chef assists you in choosing dishes and adapts to the format of your event to guarantee an exceptional gastronomic experience.

Millennium also has a delicatessen offering the Chef's creations including cooked dishes, fine charcuteries, pastries, confectioneries and homemade chocolates. A selection of great wines, spirits and exclusive products are also available for creating personalized gift boxes.
